

Today, we officially welcome Excelsior International School (EIS) and Raffles International Kindergarten (RIK) into the Taylor's family. At Taylor's, we are driven by the purpose *'to educate the youth of the world to take their productive place as leaders in the global community'*.

Taylor's Education Group (TEG), one of the largest private education groups in Malaysia with over 19,000 students across university, college and schools. With an unsurpassed track record built up over the last six decades, Taylor's has earned the reputation as the leading private educational provider in Malaysia and offers education from pre-school to schools to undergraduate and postgraduate courses.

Please visit the Taylor's website at www.taylors.edu.my for more information.

The Institutions within Taylor's Education Group are:

For over four decades, **Taylor's Higher Education Division** has prepared over 65,000 successful graduates through a comprehensive range of programmes in tertiary education, from pre-University courses, foundation and diploma, to degree, post-graduate and professional programmes. Taylor's has continuously provided excellent services for its students in terms of diverse study options, relevant curriculum and teaching methods, ongoing partnerships with leading universities worldwide, strong industry linkages, up-to-date facilities and well-equipped campuses. On 29 September 2010, Taylor's was officially upgraded to University status. www.taylors.edu.my

Wisdom • Integrity • Excellence

Garden International School (GIS) is Malaysia's largest private international school, providing British-style education to the expatriate community in Malaysia since 1951. With a total of 2,000 students from 60 countries, it caters for children from nursery level (age 3+) all the way up to A Levels (age 18+). www.gardenschool.edu.my

Australian International School Malaysia (AISM), the first and only International school in Malaysia with a 100% Australian Primary and Secondary curriculum. Started in year 2000, caters for expatriate students, ranging from Pre-School through Secondary levels. www.aism.edu.my

Founded in 1991, **Sri Garden** is one of the top private Malaysian curricula schools that cater to Kindergarten (age 3) through to Form 5 (age 17) students. In January 2011, the school started offering a British-based International Curriculum for students from Early Years to Year 11. www.srigarden.edu.my

Nexus International School, the first International school in Putrajaya, offers learners the opportunity to learn beyond the four walls of the classroom. Learners are encouraged to learn through experience and inter-connectivity. ICT is fully integrated into the curriculum. Started in 2008, Nexus caters to students from Early Years to IGCSE. IB Diploma will be offered starting September 2012. Boarding for Secondary learners commence in September 2011. www.nexus.edu.my
